

Year 9 Remote Learning 16th March 2023

You have five remote lessons to complete today.

Each lesson is listed below.

You need to watch the lesson video for each subject and complete the work set by the teacher.

Each lesson links either to work you have been doing in school, a topic that your teachers want you to practice or an introduction to a new topic that you will be learning about in school later this term.

	Lesson topics:	Lesson instructions
English	<p>Rhetoric and injustice: Pankhurst's use of rhetoric and structure In this lesson, we will study Pankhurst's use of structure to put across a convincing, confident argument. We will use her as inspiration for our own powerful, Pankhurst-esque speeches around gender injustice.</p>	<p>Click on the link below and follow the instructions of the teacher in the video. https://classroom.thenational.academy/lessons/rhetoric-and-injustice-pankhursts-use-of-rhetoric-and-structure-c5hp8d</p>
Maths	<p>Famous maths problems : The Painted Cube In this lesson, we will look at the painted cube problem.</p>	<p>Click on the link below and follow the instructions of the teacher in the video. https://classroom.thenational.academy/lessons/the-painted-cube-6guk6e</p>
Science	<p>Convection Explain the process of convection and give examples of convection currents.</p>	<p>Click on the link below and follow the instructions of the teacher in the video. https://classroom.thenational.academy/lessons/convection-6acbiv</p>
PSHE	<p>Our behaviours, thoughts and feelings In this lesson, we will understand that we all have a range of emotions and that we can choose how to respond to situations.</p>	<p>Click on the link below and follow the instructions of the teacher in the video. https://classroom.thenational.academy/lessons/our-behaviours-thoughts-and-feelings-ctk6cc</p>
Physical Education	<p>Developing critical thinking: How to use semaphore flags In this lesson, we will learn how to send non-verbal communication using semaphore flags. We will explore how different flag positions relate to different letters of the alphabet and learn how to send messages. We will</p>	<p>Click on the link below and follow the instructions of the teacher in the video. https://classroom.thenational.academy/lessons/how-to-use-semaphore-flags-chgket</p>

	complete some physical challenges whilst also coding, sending and decoding messages.
